

# How Can Perceptual Control Theory Enhance the Practice of Psychological Therapies?

## A Working Bibliography

Assembled by Sarah Alsawy & Warren Mansell August 2012

### Historical and Philosophical Context

- Mansell, W. (2009). Understanding control and utilizing control theory in the science and practice of CBT. *The Cognitive Behaviour Therapist, 2*, 115-117.
- Mansell, W. (2011). Editorial: Core processes of psychopathology and recovery: "Does the Dodo Bird Effect have wings?" *Clinical Psychology Review, 31*, 189-192.
- Mansell, W. & Carey T. A. (2009). A century of psychology and psychotherapy: Is an understanding of 'control' the missing link between theory, research, and practice? *Psychology and Psychotherapy: Theory, Research & Practice, 82*, 337-353.
- Powers, W. T. (2009). PCT and MOL: A brief history of Perceptual Control Theory and the Method of Levels. *The Cognitive Behaviour Therapist, 2*, 118-122.

### Integrative & Transdiagnostic Theoretical articles
